AUDITOR'S CERTIFICATE REGARDING COMPLIANCE OF CONDITIONS OF CORPORATE GOVERNANCE

AUDITOR'S CERTIFICATE REGARDING COMPLIANCE OF CONDITIONS OF CORPORATE GOVERNANCE

To the members of
Siel Financial Services Limited

We have examined the compliance of the conditions of Corporate Governance by Siel Financial Services Limited for the year ended on 31st March, 2018 as stipulated in Regulation 17 to 27 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 of the said company with the Stock Exchanges.

The compliance of conditions of Corporate Governance is the responsibility of the management. Our examination was limited to the procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the company has complied with the conditions of Corporate Governance as stipulated in the Regulation 17 to 27 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, except that:

- (i) Requirement of having at least one woman director on the Board.
- (ii) A Company Secretary has not been appointed by the Company and hence requirement of acting as Secretary of the Audit Committee has not been complied with.
- (iii) Code of Conduct and Quarterly Result are not posted on the website of the Company. Presently the Company does not maintain any website. It is suggested to have & regularize the website of the Company.

We state that in respect of investor grievances during the year ended 31st March, 2018, grievances were received & resolved by the Company. There were no grievances which were pending with the Company as at 31st March, 2018 as per records maintained by the Company.

We further state that such compliance is neither an assurance as to the future viability of the company nor the efficiency or effectiveness with which the management has conducted the affairs of the company.

ANNEXURE – D TO DIRECTORS' REPORT

MANAGEMENT DISCUSSION & ANALYSIS REPORT

Siel Financial Services Limited was mainly engaged in the business of leasing, advancing loan/ICDs, making investments, bill discounting and other financial activities. The Company is not doing any business activities and had been lying dormant for the last more than eleven years.

The Company has submitted its reply to exchange that as the Company is dormant since more than ten (10) years, there are no employees in the Company, except minimum number of Directors appointed for compliance purpose and the Company has very limited cash which is placed in Fixed Deposits. The interest earned on FD is being used by the Company to meet expenses relating to various filing and other fees for statutory compliances.

The Securities and Exchange Board of India (SEBI) passed an order dated 26.8.2014 under Section 11(1), 11(2)(j), 11(4) and 11B of the SEBI Act, 1992 read with Section 12A of the Securities Contracts (Regulation) Act, 1956 in the matter of non-compliance with the requirement of Minimum Public Shareholding (MPS) under clause 40A of the Listing Agreement and restrained the Company, its promoters and directors from trading in company scrip.

The financial performance of the Company is covered in the Directors' Report.

As there is no employee on the rolls of the Company, there is nothing to report on the development of human resources.

Siel Financial Services Limited

INDEPENDENT AUDITOR'S REPORT

To the Members of Siel Financial Services Limited

Report on the Ind AS Financial Statements

Qualified Opinion

We have audited the accompanying Ind AS financial statements of **Siel Financial Services Limited** ("the Company"), which comprise the balance sheet as at March 31, 2019, the statement of profit and loss (including other comprehensive income), cash flow statement and the statement of changes in equity for the year then ended, and notes to the financial statements, including summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in the Basis for Qualified Opinion Paragraph, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, and its loss (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Qualified Opinion

- (a) The Company is not allowed to carry Non-Banking Financial Business due to rejection of its application by the Reserve Bank. However, Presently the operations of the Company are restricted to realization of debtors and advances and interest income on investments.
- (b) The Company has incurred a net loss of Rs 581.98 thousand for the year ended March 31, 2019 resulting in accumulated loss of 157,853.34 thousand as on that date which has completely eroded the net worth of the Company. Further, As on March 31, 2019, the Company's current liabilities exceeded its current assets by Rs 8,261.11 thousand. The Company had been reporting negative operating cash flows for few years which have also contributed to constraints of working capital. These conditions have resulted into acute working capital deficit and have casted material uncertainty on functioning of the Company.

As stated by the management, the accounts of the Company have been prepared on a "going concern" basis as the management is hopeful that adequate finance and opportunities would be available in the foreseeable future to enable the Company to start operating on a profitable basis. In view of the above, the accounts of the Company have been prepared on a going concern basis and do not include any adjustments relating to the recoverability and classification of recorded assets amounts or to amounts or classification of liabilities that may be necessary if the Company is unable to continue as going concern. (Refer note 19 to the Ind AS financial statements).

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing (SAs), specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

Key Audit Matters

We have determined that there are no key audit matters to communicate in our report except as reported under Basis for Qualified opinion paragraph above.

Information Other than the Ind AS Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report but does not include the Ind AS financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this Auditors' Report. Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT (Contd.)

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with relevant Rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

INDEPENDENT AUDITOR'S REPORT (Contd.)

Annexure A to the Independent Auditor's Report to the members of Siel Financial Services Limited dated May 23, 2019.
Report on the matters specified in paragraph 3 of the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Companies Act, 2013 ("the Act") as referred to in paragraph 1 of 'Report on Other Legal and Regulatory Requirements' section

- (i) There are no fixed assets in the Company during the financial year ending March 31, 2019. Accordingly, provisions of clause 3 (i) of the Order are not applicable to the Company.
- (ii) The Company's operations does not give rise to inventories. However, the Company hold shares as stock in trade, which has been physically verified by the management during the year. In our opinion, the frequency of verification is reasonable. No material discrepancies were noticed on such verification.
- (iii) According to the information and explanations given to us, the Company has not granted loans, secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under section 189 of the Act. Accordingly, provisions of clause 3 (iii) of the Order are not applicable to the Company.
- (iv) As per the information and explanation given to us and on the basis of our examination of the records, the Company has not granted any loan and advances or made any guarantees, investments or security as per the provisions of section 185 and 186 of the Act. Hence, provisions of clause 3 (iii) of the Order are not applicable to the Company.
- (v) The company has not accepted deposits, the directives issued by the Reserve Bank of India and provisions of sections 73 to 76 or any other provisions of the Act and Rules framed there under, are not applicable.
- (vi) According to the information and explanation given to us, the Central Government has not prescribed maintenance of cost records under section 148 of the Act for the activities undertaken by the Company. Hence, the provisions of clause 3(vi) of the Order are not applicable to the Company.
- (vii) (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing undisputed statutory dues in respect of provident fund, employees' state insurance, income tax, goods & services tax, customs duty, cess and other material statutory dues, as applicable, with the appropriate authorities. Further there were no undisputed amounts outstanding at the year-end for a period of more than six months from the date they became payable.
(b) According to the information and explanations given to us and as per the books and records examined by us, there are no dues in respect of income tax, goods & services tax, duty of custom and cess which have not been deposited on account of any dispute.
- (viii) According to the information and explanations given to us and as per the books and records examined by us, the Company has not taken any loan from any, financial institution or Government. The Company does not have any outstanding debentures. Hence, provisions of clause 3 (viii) of the Order are not applicable to the Company.
- (ix) According to the information and explanations given by the management, the Company has not raised any monies by way of initial public offer or further public offer during the financial year, and the Company has not raised any term loans. Accordingly, the provisions of clause 3(ix) of the Order are not applicable to the Company.
- (x) In our opinion and on the basis of information and explanations given to us, we report that no fraud by the company or on the company by the officers and employees of the Company has been noticed or reported during the year.
- (xi) According to the information and explanations given to us, the Company has not paid any managerial remuneration during the year, hence the provisions of section 197 of the Act and reporting requirements of the Order are not applicable to the Company.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company, therefore the provision of clause (xii) of the Order is not applicable to the Company and hence not commented upon.
- (xiii) In our opinion and according to the information and explanations given by the management, transactions with the related parties are in compliance with section 177 and 188 of the Act, where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards.
- (xiv) As the Company has not made any preferential allotment and private placement of shares or fully & partly convertible debentures during the year under review, the requirement of section 42 of the Act are not applicable.
- (xv) In our opinion and on the basis of information and explanations given to us, the Company has not entered into non-cash transactions with directors and persons connected with him. Hence, the provisions of section 192 of Act are not applicable.
- (xvi) In our opinion and on the basis of information and explanations given to us, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

INDEPENDENT AUDITOR'S REPORT (Contd.)

Annexure B to the Independent Auditor's Report to the members of Siel Financial Services Limited dated May 23, 2019

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act") as referred to in paragraph 2(f) of 'Report on Other Legal and Regulatory Requirements' section

We have audited the internal financial controls over financial reporting of Siel Financial Services Limited (the "Company") as of March 31, 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the "Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit.

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

An audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- c) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INDEPENDENT AUDITOR'S REPORT (Contd.)

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India"

Siel Financial Services Limited

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

1. (A). Summary of significant accounting policies

Corporate overview

Siel Financial Services Limited ("the company") was incorporated on December 12, 1990 and is registered under the Companies Act 1956.

These financial statements were approved and adopted by board of directors of the Company in their meeting held on May 23, 2019.

(i) Basis of preparation

These financial statements have been prepared complying in all material respects with the Indian Accounting Standards notified under Section 133 of the Companies Act 2013, read together with the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) (Amendment) Rules, 2016 as amended from time to time. The financial statements comply with IND AS notified by Ministry of Company Affairs ("MCA"). The Company has consistently applied the accounting policies used in the preparation of financial statements of all the periods presented.

The financial statements have been prepared on an accrual basis under the historical cost convention, except for the certain financial assets and financial liabilities which have been measured at fair value as per the requirements of the Ind AS. The accounting policies, as set out below, have been consistently applied, by the Company, to all the years presented in the financial statements.

The preparation of financial statements requires the use of certain significant accounting estimates and judgements. It also requires the management to exercise judgement in applying the Company's accounting policies. The areas where estimates are significant to the financial statements, or areas involving a higher degree of judgement or complexity, are disclosed in note. 1 (B)

All the amounts included in the financial statements are reported in Indian Rupees ('Rupees' or 'Rs.') which is the functional currency of the Company, except per share data and unless stated otherwise and rounded off to nearest Thousands Rupees.

(ii) Statement of Compliance

The financial statements have been prepared in accordance with Ind ASs notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) (Amendment) Rules, 2016 as amended from time to time.

(iii) Basis of classification of Current and non-current

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is classified as current when it is:

- i) Expected to be realised or intended to be sold or consumed in normal operating cycle
- ii) Held primarily for the purpose of trading
- iii) Expected to be realised within twelve months after the reporting period, or
- iv) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is classified as current when:

- i) It is expected to be settled in normal operating cycle
- ii) It is held primarily for the purpose of trading
- iii) It is due to be settled within twelve months after the reporting period, or
- iv) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

(iv) Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company measures financial instruments such as investment in unquoted equity and preference shares, quoted mutual funds, security deposits paid to landlords for properties on rent and financial guarantees at fair value at each balance sheet date.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the following fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole:

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 -Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

v) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

(a) Sale of goods

Revenue is recognized upon transfer of control of promised goods or services to customers at transaction price (net of taxes and duties), arrived at by determining the fair value of the consideration received or receivable after adjusting returns, allowances, trade discounts, volume discounts etc. in exchange of goods or services.

For applying above principle the Company adopts five step model, which are:

- Identify the contract(s) with customer(s);
- Identify the performance obligations under the contract(s)
- Determine the transaction price
- Allocate the transaction price to the performance obligations in the contract(s)
- Recognise revenue, when or as the entity satisfies a performance obligation.

(b) **Interest income** is recognized on a time proportion basis considering the amount outstanding and the rate applicable. For all debt instruments measured at amortized cost, interest income is recorded using the effective interest rate (EIR) method. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset. Interest income is included in other income in the statement of profit or loss.

(c) **Dividend income** is recognised when the right to receive the payment is established (generally on shareholder's approval by the reporting date).

(vi) Income taxes

Tax expense comprises of current income tax and deferred tax. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities in accordance with the Income Tax Act, 1961 enacted in India. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised outside profit and loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity.

Deferred tax is recognised using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

Deferred tax liabilities are recognized for all taxable temporary differences

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses, if any. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilized

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in other comprehensive income or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities.

Siel Financial Services Limited

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

Minimum Alternate Tax (MAT) paid in a year is charged to the Statement of Profit and Loss as current tax. The Company recognises MAT credit available as an asset only to the extent there is reasonable certainty that the Company will pay normal tax during the specified period i.e the period for which the MAT credit is allowed to be carried forward. In the year in which the Company recognises MAT credit as an asset, the said asset is created by way of credit to the Statement of Profit and Loss and shown as "MAT credit entitlement" and grouped under Deferred Tax Assets. The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have reasonable certainty that it will pay normal tax during the specified period.

(vii) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost

(viii) Employee benefits

There were no employees in the company during the previous year. Accordingly, no provision for Short term employee benefit and Post employment benefits such as provident fund, gratuity, superannuation schemes and leave encashment has been made during the reporting period. Upon commencement of operations and upon inductment of employees, the liability will be provided towards defined contribution plan and defined benefit plan in compliance with "Indain Accounting Standard-19 on Employees Benefits", issued as per Companies (Indian Accounting Standards) Rules, 2015.

The aforesaid staff benefit scheme will be provided according to respective laws as and when these will be applicable on the company.

(ix) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(a) Financial assets

Initial recognition

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All the financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date

Subsequent measurement

Non-derivative financial instruments

i) Financial assets carried at amortized cost

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding.

ii) Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates that are solely payments of principal and interest on principal amount outstanding. Further in cases where the Company has made an irrevocable election based on its business model, for its investments which are classified as equity instruments the subsequent changes in fair value are recognized in other comprehensive income

iii) Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair value through profit or loss

(b) Financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest method, except for contingent consideration recognized in a business combination which is subsequently measured at fair value through profit or loss.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate the fair value due to the short maturity of these instruments

i) Financial guarantee contracts

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortization

ii) Borrowings

On initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

(c) Derecognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under IND AS 109. A financial liability (or a part of the financial liability) is derecognized when the obligation specified in the contract is discharged or cancelled or expires.

(d) Fair value of financial instruments

In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices and dealer quotes. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized.

For all other financial instruments the carrying amounts approximate fair value due to the short maturity of those instruments

(e) Impairment of financial assets

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized as an impairment gain or loss in statement of profit or loss

(f) Reclassification

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

(g) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the standalone balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

(x) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits and liquid fund investments with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

1. (B). Significant accounting judgements, estimates and assumptions

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the

Siel Financial Services Limited

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

a) Contingencies

Contingent liabilities may arise from the ordinary course of business in relation to claims against the Company, including legal, contractor, land access and other claims. By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence, and potential quantum, of contingencies inherently involves the exercise of significant judgments and the use of estimates regarding the outcome of future events.

b) Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

1. (C) Standards issued but not effective:

Ministry of Corporate Affairs ("MCA") through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, had notified following new and amendments to Ind ASs which are effective from April 1, 2019:

- i. W.e.f. April 1, 2019 Ind AS 116-Leases will replace existing leases standard, Ind AS 17-Leases. Lessee will follow Single Lease Accounting. There is no classification as operating lease or financial lease for lessee. Under Ind AS 116, lessee will recognise assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. Lessee would recognise depreciation expense on the right of use of asset and interest expense on the lease liability, classify the lease payment into principal and interest component. Management is currently reviewing the operating lease contracts in place to determine the impact of this standard.
- ii. The following standards or amendments made in below mentioned standards are not expected to have a material impact over financial statements:
 - Ind AS 12-Income Taxes: Amendments relating to income tax consequences of dividend and uncertainty over income tax treatments.
 - Ind AS 109: Prepayment features with negative compensation
 - Ind AS 19: Plan amendments, curtailments and settlements
 - Ind AS 23: Borrowing Costs
 - Ind AS 28: Long-term Interests in Associates and Joint Ventures
 - Ind AS 103: Business Combinations and Ind AS 111: Joint Arrangements

Changes in accounting policies and disclosures

Ind AS 115 Revenue from Contracts with Customers

- i) Ind AS 115 was issued on 28 March 2018 and supersedes Ind AS 11 Construction Contracts and Ind AS 18 Revenue and it applies, with limited exceptions, to all revenue arising from contracts with its customers. Ind AS 115 establishes a five-step model to account for revenue arising from contracts with customers and requires that revenue be recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer.
- ii) Ind AS 115 requires entities to exercise judgement, taking into consideration all of the relevant facts and circumstances when applying each step of the model to contracts with their customers. The standard also specifies the accounting for the incremental costs of obtaining a contract and the costs directly related to fulfilling a contract. In addition, the standard requires extensive disclosures.
- iii) Some other amendment is also there i.e.
 - a. Ind AS 38 Intangible asset acquired free of charge
 - b. Appendix B to Ind AS 21 Foreign Currency Transactions and Advance Considerations
 - c. Amendments to Ind AS 40 Transfers of Investment Property
 - d. Amendments to Ind AS 28 Investments in Associates and Joint Ventures – Clarification that measuring investees at fair value through profit or loss is an investment-by-investment choice
 - e. Amendments to Ind AS 12 Recognition of Deferred Tax Assets for Unrealised LossesThese amendments do not have any impact on the Company's financial statements.

The management assessed that cash and cash equivalents, other bank balances, trade receivables, trade payables and other current financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

26 B. fair value hierarchy

All financial instruments for which fair value is recognised or disclosed are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is insignificant to the fair value measurements as a whole.

Level 1 : Quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2 : Valuation techniques for which the lowest level inputs that has a significant effect on the fair value measurement are observable, either directly or indirectly.

Level 3 : Valuation techniques for which the lowest level input which has a significant effect on fair value measurement is not based on observable market data.

The following table provides the fair value measurement hierarchy of the Company's assets and liabilities.

27. Financial risk management objectives and policies

The Company's principal financial liabilities comprise of borrowings, other payables and provisions. The Company's principal financial assets include receivables and cash and cash equivalent.

A. Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of change in market price. Market risk comprise of interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk.

i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. However, as the Company does not have any outstanding floating rate interest bearing long term and short term debts at the balance sheet date. Therefore, a change in interest rates on the reporting date would neither affect profit or loss nor affect equity.

Fair value sensitivity analysis for fixed rate instruments

The Company does not have any fixed rate financial assets and liabilities at fair value through profit and loss as on date. Therefore, a change in interest rates at the reporting date would neither affect profit or loss not affect equity.

B. Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its financing activities, including deposits with banks. Management has a credit policy in place and the exposure to credit risk is monitored on an ongoing basis. Credit evaluations are performed on all customers requiring credit over a certain amount.

An impairment analysis is performed at each reporting date on an individual basis. The calculation is based on exchange losses historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed below. The Company does not hold collateral as security. The Company evaluates the concentration of risk with respect to financing activities as low on the basis of past default rates of its customers.
