HC notice to govt, CBSE on Class 12th marking system

NSUI president had filed a PIL for independent probe in matter

BHAVINI MISHRA
New Delhi, 8 June

The Central Board of Secondary Education (CBSE) came under judicial scrutiny on Monday in two separate matters before the Supreme Court and the Delhi High Court, with both raising concerns over its handling of Class XII examinations and results.

The Delhi High Court issued notice to the Union government and CBSE on a public interest litigation (PIL) challenging the Board's newly introduced On-Screen Marking (OSM) system for Class XII exams.

A Division Bench of Justices Neena Bansal Krishna and Madhu Jain, seeking responses from the Department of Education and CBSE, listed the matter for hearing on June 12.

The petition, filed by National Students' Union of India (NSUI) President Vinod Jharkar, seeks an independent inquiry into alleged irregularities in the digital evaluation process. It claims that after the results were declared, students across the country reported issues such as blurred scans, missing pages, incomplete uploads, answer-sheet mismatches, unexpectedly low marks and the absence of an effective verification mechanism.

CBSE counsel M A Niyazi questioned the maintainability of the PIL, stating, "It is a student wing of a political party. We do not want educa-

Over 160,000 applied for post-result services: CBSE

The Central Board of Secondary Education (CBSE) on Monday defended the functioning of its post-result services portal amid complaints from students and parents, saying more than 160,000 candidates successfully submitted verification and re-evaluation requests pertaining to over 380,000 answer books during the application window between June 2 and June 7.

However, while CBSE said that verification and re-evaluation requests pertained to more than 380,000 answer books, officials had earlier stated that students

had sought photocopies of over 400,000 answer scripts during the first stage of the post-result process.

In a statement, the board said the portal remained "fully functional throughout the notified period" under the supervision of government technical agencies and teams from the Indian Institutes of Technology. It added that the system was under continuous monitoring by dedicated cybersecurity teams to prevent malicious traffic and cyber threats, while CBSE helpdesks and grievance redressal channels provided support to students. **BS REPORTER**

tion to be politicised like this," NSUI is the students wing of the Indian National Congress.

Jharkhar's petition argued that the large number of students seeking scanned copies of their answer books reflects widespread distrust in the evaluation process. "When such a large number of students seek scanned copies immediately after result declaration, the matter cannot be treated as a routine post-result formality," it stated.

Among other reliefs, the PIL seeks reopening of the verifi-

portal for a month, manual rechecking in disputed cases and an independent inquiry into the functioning of the OSM system.

SC seeks response

In another case, the Supreme Court sought responses from CBSE on a petition filed by a student from Saudi Arabia whose Class XII improvement examination result was withheld following the cancellation of several CBSE Board examinations across West Asian countries amid regional tensions.

Court directs police to probe allegations of illegal fly-ash dumping by Vedanta

HEMANT KUMAR ROUT
Bhubaneswar, 8 June

Environmental compliance and industrial waste management practices at Vedanta Aluminium's Jharsuguda unit in Odisha have come under judicial scrutiny after a local court directed the police to register a case and investigate allegations of illegal coal fly-ash dumping in a restricted area near the Bheden river.

In an order, the judicial magistrate first class, Jharsuguda, directed the inspector-in-charge (IIC) of Badmal police station to register a first information report (FIR) and conduct an investigation based on a complaint petition filed by environmental activist Satyanarayan Rao against Vedanta.

The complainant alleged that coal fly ash was being illegally dumped in a restricted zone of the Bheden river syst-

em, resulting in environmental degradation and posing risks to public health and water resources. "The company is engaged in massive illegal dumping of coal fly ash in unauthorised areas, especially encroaching upon the Bheden and Ib riverbanks, different restricted places upstream of the Mahanadi river, as well as forest and agricultural land, in violation of environmental laws," alleged Rao, president of Anchalik Paribesh Suraksha Sangh.

Vedanta authorities denied the allegations of fly-ash dumping at unauthorised locations. "We have not received the court order. Since the matter is sub judice, it would not be appropriate to comment. However, the leakage in the pipeline has been repaired," a spokesperson for the company said.

On the penalty for alleged illegal water extraction, the spokesperson said the com-

pany had already submitted its response to the penalty notice issued by the Department of Water Resources and that there had been no further communication from the department. The court said that the com-

plaintant had earlier submitted a written FIR to Badmal police station but alleged that no action had been taken. After examining the complaint petition and affidavit, the court observed that the allegations disclosed cognisable offences warranting a police investigation.

The order referred to offences under various provisions of the Bharatiya Nyaya Sanhita, including negligent acts endangering life, fouling water in public reservoirs, making the atmosphere noxious to health, criminal breach of trust, criminal intimidation, and obscene acts. "Keeping in view the nature of the allegations, this court thinks it appropriate that there should be an investigation by the police in the interest of justice," the order said.

The magistrate also ordered that the original com-

plaint petition be forwarded to the IIC, Badmal police station, with instructions to register the case and submit a compliance report.

The court-directed investigation comes at a time when Vedanta Aluminium is already facing regulatory action over alleged unauthorised extraction of water from the Bheden river system. In April this year, the Odisha government served a demand notice of ₹233.11 crore on Vedanta Aluminium, alleging illegal withdrawal of water from the river for nearly a year.

The demand includes water charges, interest, and a sixfold penalty. According to an assessment by the Department of Water Resources, the company allegedly drew more than 3 million cubic metres of water every month between May 2025 and April 2026 without authorisation.

'City will suffocate': Delhi High Court on Centre's move to reclaim Polo Club land

BHAVINI MISHRA
New Delhi, 8 June

"Delhi will suffocate" if the government takes over green spaces, said the Delhi High Court on Monday in its observations on the Centre's move to reclaim the land held by some of the Capital's oldest sporting and social institutions, such as the Delhi Gymkhana Club, Indian Polo Club, and Delhi Race Club.

Hearing the Indian Polo Association's challenge to an eviction notice issued on May 20, Justice Neena Bansal Krishna repeatedly questioned the government's plans for the land and the future of the heritage structures situated there.

"Why do you want the Polo Club? What are you going to do with all those heritage structures, even the Delhi Gymkhana? Make 20-storey

buildings?" Justice Krishna asked during the proceedings.

The judge remarked that Delhi's residents were already grappling with severe pollution and shrinking open spaces. "The little breather we have in the NDMC (New Delhi Municipal Council) areas is also going to go. All of us are going to suffocate and die. The government never needed the land in 200 years. Only you know what you are going to make Delhi into... You have no idea how we are choking. The small lung that we have, you are going to take it away."

The Indian Polo Association approached the high court after being directed to vacate the Jaipur Polo Ground, which is in the Race Course area. It argued that while it had challenged the eviction proceedings before the Patiala House Court under the Public Premises Act and

sought interim protection, the trial court had only issued notice and had not considered its plea for a stay.

Appearing for the Centre, Central Government Standing Counsel Ashish Dixit defended the decision, submitting that the land was required for public and defence-related purposes. He argued that land availability in central Delhi was limited and essential governmental functions had to be carried out from the area. The court, however, remained unconvinced and questioned whether further construction in the city could be justified as being in the public interest.

"Making all high-rises in the public interest? You look at Delhi, we have only high-rises all over... God save us all if this is how you want Delhi to live," Justice Krishna observed.

8 workers killed in Vizag steel plant as molten iron spills

At least eight workers of the Rashtriya Ispat Nigam Ltd (Vizag steel plant) were killed and six others injured here on Monday after molten iron spilt on them, officials said.

"Eight workers were killed, and six others were injured, some of them grievously, an official told PTI.

Reacting to the mishap, Prime Minister Narendra Modi expressed sadness and also extended ex gratia to the kin of the deceased and injured workers. "Saddened by the mishap at the Visakhapatnam Steel Plant. Condolences to those who have lost their loved ones. Praying that the injured recover at the earliest," PM Modi said in a post on X.

An ex gratia of ₹2 lakh from Prime Minister National Relief Fund would be given to the next of kin of each deceased, he said, adding that the injured would be given ₹50,000. Likewise, Andhra Pradesh Chief Minister N Chandrababu Naidu said the steel plant accident left him deeply shocked. **PTI**

NOTICE TO SHAREHOLDERS

Second 100 Days Campaign - "Saksham Niveshak"

The Investor Education and Protection Fund Authority ("IEPFA"), under the Ministry of Corporate Affairs ("MCA"), has launched the Second 100 Days Campaign, "Saksham Niveshak" up to 9th July 2026. The campaign is intended to assist shareholders who have unpaid or unclaimed dividends and to help them update their KYC, bank account, nomination, and contact details.

Updating these details can help prevent the transfer of dividends or shares to the Investor Education and Protection Fund ("IEPF") for the Financial Years 2019-20 to 2023-24. Shareholders are therefore urged to act promptly, as applicable regulations require unpaid amounts to be transferred after seven years from the date they are moved to the Unpaid Dividend Account.

Shareholders who need to claim unpaid or unclaimed dividends, or update their KYC or nomination details, may contact the Company's Registrar and Transfer Agent ("RTA"), MUFG Intime India Private Limited, through any of the following channels:

- Address: C-101, Embassy 247, L.B.S. Marg, Vikhroli (West), Mumbai - 400 083
